# Year 3 Targets Summer Term

**Our writing target is to use paragraphs to organise my ideas.**

They **must** organise their ideas into sections.

They **should** organise their ideas into paragraphs with connected points next to each other.

They **could** use paragraphs to help organise their writing and make links between paragraphs

They **could even** make clear links between their paragraphs.

**Our reading target is to identify and comment on the structure and organisation of a text.**

They **must** show some awareness of simple features of a text.

They **should** show some awareness of the features of organisation of a text.

They **could** identify how a text has been organised.

I **could even** comment on how a text has been structured and organised.

**Our maths target is to work on our written methods for number calculations in maths.**

They **must** record their work in writing.

They **should** add and subtract 2-digit numbers using a written method and multiply and divide 2-digit numbers by 2, 3, 4, 5, 10.

They **could** use efficient written methods of addition and subtraction and of short multiplication and division.

They **could even** add, subtract, multiply and divide numbers with 1 decimal place.

**Our Science target is about working critically with evidence.**

They **must** respond to prompts to say what happened in their investigation.

They **should** independently say what happened in their investigation.

They **could** describe what they have found out, linking cause and effect.

I **could even** identify straightforward patterns in their results.

**Our BLP target is all about resilience; managing our distractions and noticing the good examples of our peers.**
