

This half term we are focusing on AF3 and AF4
(Organise and present texts effectively, creating & linking paragraphs).

I must place related points next to each other within my writing.

I know that I have achieved my target when I can:

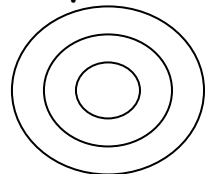

- ✓ Organise my ideas with related points placed next to each other.
- ✓ Sequence my ideas logically, e.g. chronologically.
- ✓ Begin to show openings and closings within my writing.

I should use paragraphs to help organise the content of my writing.

I know that I have achieved my target when I can:

- ✓ Use paragraphs to help organise content e.g. main idea supported or elaborated on by the following sentences.
- ✓ Show connections between the sentences within my paragraphs e.g. connectives, pronouns (he/she/they).
- ✓ Organise my ideas with a fitting opening and closing
- ✓ Begin to use links between paragraphs e.g. connective openers: firstly, next, while.

I could use a range of devices to support the flow of my writing within, and between, my paragraphs.

I know that I have achieved my target when I can:

- ✓ Use paragraphs to clearly structure the main ideas across the text e.g. clear chronological or logical links between paragraphs
- ✓ Use a range of devices to support links within my paragraphs e.g. secure use of pronouns, connectives, references back in the text.
- ✓ Maintain consistent links between my paragraphs across the whole text so that they flow and show clear direction
- ✓ Develop my ideas effectively across the text with my closings referring back to my openings
