

One ticket in two bars

Since the four impossible golden tickets have been claimed by Augustus Gloop a greedy boy, Veruca Salt, Violet Beauregard and Mike Teevee BUT who was the next person to find it, to prepare to go to the mysterious factory.

On the other hand Veruca a spoilt little brat cheating because of her famous dad who has bought a whole factory full of Wonka bars. She wasn't really bothered about it.

BUT a poor boy in London called Charlie Bucket had surprisingly found the last ticket in two bars!!(He first had a Wonka bar for his birth day and luckily!

He found a pound on the street!!! And bought Wonka's scrumptious fudge mallow delight. The last words were "WE GOT IT".

So now the huts over and the five lucky winners must be prepared for the day to go to the Wonka's mysterious brilliant awesome Chocó - tacular amazing humongous factory for the whole day!
