

18 November 2011

Dear Parents,

It is with much regret that I need to let you know that the staff and I intend to take industrial action on Wednesday 30<sup>th</sup> November, 2011 in line with the mandates received by our various unions in regard to the current government policy on public sector pensions.

This is not a formal announcement of closure as the unions remain in negotiation with the government. We very much hope that an agreement can be reached and that this action can then be cancelled. My intention in writing to you today is to allow you as much time as possible to make any necessary arrangements for your children.

I will of course keep you updated about the situation, including a formal notification to close the school by 23 November, should it come to that.

Regards,

Mark Pratt
