Maths Family Fun Day Friday 27th January 2012

6th January 2012

Dear Parents,

During the last week of January 2012, Sharmans Cross will be holding a Maths Week in support of the NSPCC in which children will be exploring maths in a variety of interesting ways.

The week will culminate in a Family Fun day on Friday 27th January 2012 to which we would like to invite you to explore mathematics through art, problem solving and a whole school maths investigation alongside your child/children. I am sure that your child/children will benefit immensely from the support that you can provide in learning through this shared experience.

If you are able to support your child/children in one of the activities planned for this day then please could you complete the below slip to indicate when you think you would be able to attend.

Thank you in advance.

Jonathan Hyde
Maths Subject Leader

I, the parent/guardian of _____ in class _____
am/am not able (please delete as appropriate) to attend the Maths Family Fun
day on Friday 27th January 2012.

I would like to attend one or more of the below sessions (please tick which you
would like attend). Please return to school by Friday 13th January 2012.
