

10 September 2010

Dear Parents,

I will be running a photography club on a Tuesday evening between 3.30 and 4.45pm. This will begin on Tuesday 14<sup>th</sup> September and run until 7<sup>th</sup> December.

The club will be free of charge and meet in the library. Children will need a camera, either analogue or digital for this and so it is essential that they have this in school. We will look at topics such as composition and different types of subject, like sport and still life. At the end of this we will produce a photo journal for use in the school prospectus or on the website.

Should I need to cancel this at any point I will make every effort to cancel with at least 24 hours notice and contact you via our text messaging service.

Unfortunately I only have space for 20 children. Therefore the first twenty returned slips will be offered a place.

Regards,

Mark Pratt

I give permission for my child \_\_\_\_\_ to participate in the Tuesday evening Photography Club between 3.30 and 4.45pm.

I am aware that any child should be picked up at 4.45pm and that any child in Y3 or Y4 should be collected by a responsible adult. Accepting place is for the duration of the club.
