Dear Parents,

I am delighted that I have been invited again by Sharmans Cross Junior School to offer a Digital Photography Club.

The workshops are designed as a fun and creative way for learning how to take memorable digital photographs. Themes will be around my friends and I, the world around us, travel and transportation, work, rest and play and the photography of movement.

Digital cameras would need to be provided for each workshop. Also, a notepad and pen together with suitable footwear and clothing would be ideal as we'll be doing a lot of the practical's outside, on the schools grounds.

The workshops are for a 6-week period, commencing on Friday 24th February 2012, for an hour after school. I will need a minimum of 10 pupils in order to make the course viable. The cost of the six week course is £18.00 per pupil, payable in advance.

If you would like your child to take part, please complete the attached Registration Form and return it to the School, together with your cheque, made payable to Tom Doyle Photography. Places will be allocated on a first-come-first-served basis.

I'm very much looking forward to working with Sharmans Cross Junior School on what I am sure will be a fun and fruitful learning experience.

Very best wishes,

Tom Doyle
