

Friday 9th December

Dear Parents,

RE: Space Centre Visit

As part of our 'Earth in Space' topic, Year 5 will be going to the National Space Centre on Tuesday 17th January. This is a fantastic opportunity for the children to get a hands on experience with some of the fascinating facts and concepts that we learn about this half term.

We ask that the children bring a packed lunch along with them (alternatively complete the school dinners part of the reply slip) and the children will be required to wear school uniform as normal.

As the Space Centre is a little way away, we expect that we will arrive back at school between 4pm and 4.15pm. Please make arrangements with your child so that they are aware of how they will be getting home on this day. Please also indicate on the slip below if they will be going to Swallows. On their return, the children will all go into school where the class teachers will dismiss them or take them to Swallows.

As you are aware, instead of asking for yearly or termly parental contributions, we are asking for contributions for each trip we organise (up to a cost of £50 per child per year). For this trip, the coach cost per child is £7.30 and the Space Centre entrance is £6.95, so the total cost per child will be £14.25. Whilst this is only a voluntary contribution, if we do not cover the cost of the trip we will not be able to go. Anyone who may have difficulty in meeting this cost should speak to Mr Pratt for support. Please could the slip below be returned to school by **16th December 2011.**

As always, we would appreciate parent support, so if you are able to help, please indicate below.

Thank you,

The Year 5 Team.

.....
Space Centre Visit- Tuesday 17th January.

I give permission for _____ in class _____ to visit the National Space Centre.

My child requires a packed lunch from school

I am able to help with this trip

My child will be going to Swallows after the trip.

I will be paying on ParentPay

I need a bar code from the school office

Signed _____ Date _____
