

16th December 2011

Dear Parents,

Year 5 have the opportunity to go to Coppice Junior School to join in with their Outdoor learning programme. It is a link that has been growing over the past year and we believe that allowing the children to work together will provide an invaluable opportunity.

Each class will go during their normal Outdoor Learning Session and will still require their Outdoor Learning clothes. The coach will leave our school at 1.10pm and leave Coppice by 3pm, returning to school by 3.30pm.

We require adults to help on the afternoons stated so please indicate below if you are available. Please return your letter to your class teachers by Friday 6th January.

5TB - Wednesday 18th January
5NB - Wednesday 25th January
5HS - Wednesday 1st February

Kind Regards,

Miss Carter
