Dear Parents and Children,

As the end of your time at Sharmans is approaching, we are looking for your help! A few weeks ago, former pupils from all of the Secondary schools that we feed into, came back to chat to parents and children about their transition to Secondary school. We are hoping that this can become an annual event and would like many of you to come back next year, during the summer term, to share your experiences!

If you are interested, please complete the details below and send them into Mrs Snowden by the end of term.

We hope to see many of you next year and to hear about how you are getting on. If you would not like to attend, we wish you every success at your new school!

Kind Regards,

Mrs Snowden.
